

International Summer School in Synthetic Biology, 5 credits

Requirements	At least 30 credits (equivalent to half a year of full-time studies) from a Bachelor's programme in biotechnology, biological science or chemistry, including at least one course in chemistry, molecular biology or microbiology.
Apply through	universityadmissions.se
Application opens	February 20
Deadline for application including all documentation, see list below.	March 15

Payment for the course.

To take the course, you need to pay three different fees on three different invoices.

Invoice 1. Application fee.	Your application will not be processed before the application fee is paid. It is an administrative fee to Uppsala University. Please meet deadline.
Pay before April 1:	900 SEK

Invoice 2. Tuition fee	The university tuition fee covers course costs for teaching, including bench fee, salaries to teachers and more. You will not be able to apply for your VISA until the tuition fee is paid.
Pay before applying for VISA:	10833SEK

Invoice 3. Food and accommodation fee.	The Food and accommodation fee covers your food during the lab days and the accommodation in a room near campus, and is paid to the Biology Education Centre on a separate invoice.
Pay before coming to Sweden:	15000 SEK for service package including in town accommodation, food and social activities.

The **total cost** is **SEK 26733SEK**

If you have questions about your admission process, please first check your personal account in [universityadmissions.se](https://www.universityadmissions.se). If you need more help, please contact the Admissions support centre using one of the means at the bottom of the page:

<https://www.universityadmissions.se/en/All-you-need-to-know1/admissionssupport/#humany-universityadmissions=/contact?id:1304> Contact Biology Education Center: Elisabeth Långström (elisabeth.langstrom@ibg.uu.se)

Required documentation for application:

1. A copy of the page in your passport with your personal data and photo.
2. Official transcript from your home university in original language
3. An official translation of your official transcript from your home university to English.
4. High school diploma in original language
5. An official translation of your high school diploma to English.

Exception from documentation required on the application site*

This course has an exception from the original requirements of English 6 (TOEFL or IELTS), normally required for education at Swedish universities. Unless you have English 6 proved by TOEFL or IELTS, do not upload any proof of English at all.

Follow your application process

Please follow the status of your application process on [universityadmissions.se](https://www.universityadmissions.se). If you have submitted all documentation above before March 15th, you can expect a message of admission around May 2nd. If you get questions/directions about documenting your English requirements, please contact antagning@uadm.uu.se
